April 10, 2019

**Circular for Parents (Classes Prep to XII)**

Dear Parents,

The new session has begun on a note of new hope, new challenges and new endeavours.

We had bid adieu to the iconic Founder Principal Mrs. Meeta Rai in the month of March and the undersigned has taken the charge as Principal DPS Indirapuram w.e.f. 1st April, 2019. Mrs. Meeta Rai, however, will continue to be our mentor in the capacity of Member Advisory Committee of the school. Please accept my greetings as we embark on this journey of new commitment in this new session.

I take this opportunity to salute Ms. Meeta Rai for her glorious innings as the Founder Principal, and acknowledge her 17 years of dedicated service to the institution, leading to the phenomenal growth of the school and establishing its credibility as a premier institution of great repute. I assure you that the school will continue to strive for the same standard of excellence in all spheres, with the same passion and commitment as before.

Dear parents, May I also take this opportunity to thank you for your continued support to the school in all its programs and initiatives. I am sure that with your support, the school will be second to none, not only in Ghaziabad but in the entire region and the country!

Unfortunately, on this occasion we are greatly pained to note that some parents of our students who have formed DPSI Parents' Welfare Association, have started an Online Petition urging the parents of DPSI to sign it to record their protest against the fee hike in the Session 2019-20.

They refer to the Allahabad High Court Order and the recommendations of the DFRC but do not realize that maligning the school would only be harming the very institution which is sincerely grooming, nurturing and mentoring their children! The matter is sub-judice and hence school will wait for the final verdict before taking any decision on the change of the fee structure.

Hence I appeal to you to refrain from joining this malicious signature campaign which is detrimental to the growth of the very organization that is dedicated to the cause of your children's education. I dare say that your children are your best investment and no disruptive force should be permitted to be an impediment in their progress.

I entreat you not to sign the petition under any coaxing and cajoling, for we, DPS Indirapuram family will not let any divisive force harm our institution in any way! Looking forward to your support and cooperation.

**Sangeeta Hajela**  
Principal DPS Indirapuram
