DPSI MUN 2024

THE SEVENTH EDITION

One of the **most celebrated**
MUN Conferences in India

AD ASTRA PER ASPERA

To the stars through hardships

A Model United Nations Conference Organized by
Aletheia, the MUN society, DPS Indirapuram

Greetings!

”

“I hope this letter finds you all in good health and high spirits. It brings me immense pleasure to announce that DELHI PUBLIC SCHOOL INDIRAPURAM is hosting it's Seventh Annual Model United Nations Conference, DPSI MUN 2024 on **18th and 19th May, 2024**. Over the past six years, our school has successfully organized and hosted MUN conferences, providing a platform for young minds to engage in diplomatic discussions, hone their communication skills and develop a deeper understanding of global affairs. It is truly an enriching experience for both the participants and the Secretariat members.

The motto of DPSI MUN, "**Ad Astra Per Aspera**", meaning "**to the stars through difficulties**", perfectly encompasses the essence of this event. DPSI MUN 2024 aims to create an inclusive environment, where students from various schools can come together, share ideas, and find solutions to some of the world's most pressing issues. Through this conference, we nurture important skills such as critical thinking, negotiation and teamwork, which are essential for future leaders and diplomats. Carrying forward the legacy of DPSIMUN, this year's MUN promises to be full of learning replete with discussions, deliberations and debates.”

Mrs. Priya Elizabeth John
Principal, DPS Indirapuram

COMMITTEE PREFERENCE POLICY

At DPSI MUN '24, we aim to provide the participants with a rich and diverse conference experience that allows them to engage with global issues and develop new skills. One important aspect of the experience is the Committee Assignment Policy. We have established a Committee Assignment Policy which ensures that this process is fair and meets the requirements of the participants and the conference as a whole.

During registration all participants indicate their committee preferences in order of priority. While we make an effort to assign the committees according to the given preferences, kindly note that we follow a “First cum First Serve Policy” to accommodate these preferences. Thereafter, committees are assigned on the basis of availability and experience of the delegates.

The decision of the secretariat will be deemed final for the committee and portfolio allotments.
