**Circular for Parents (Classes Nursery to XII)**

Dear Parents,

We are thrilled and delighted to share a groundbreaking initiative from Delhi Public School Indirapuram! As we witness an incredible surge in technological advancements - where AI is simplifying tasks and reshaping the future, we are proud to be at the forefront of this digital revolution. In association with School For Schools Private Limited, we are unveiling “**SchoolsOS**” (**Schools Operating System**)—an AI-enabled Future Ready digital school ecosystem. This innovative platform is designed to elevate entire school experience, offering a seamless and futuristic way to digitalize school ecosystem.

**SchoolsOS** is designed so innovatively that many tasks can be managed with simple voice commands - course progress, detailed analysis of academics, attendance, communication with teachers & school, fee payments/ reminders and beyond, all effortlessly accessible. You can view real-time course progress updates, homework and assignment details, students’ participation and progress, everything at a glance.

This is just a beginning as we envision to make the best use of technology for all stakeholders. **We are launching with Phase I at the moment** as we want parents to accustom themselves with basic features before we introduce the high-tech Phase II that will bring more innovative features as we roll out technologically advanced AI-driven features step-by-step.

Please find the following step by step guideline for easy access of **SchoolsOS**:

1. **Deleting the previous ERP**: You must delete the previously used “Edunext” app from your mobile phones to avoid any confusion in the future. **It is mandatory to delete the app before installing the new app.** The present ERP ‘Edunext’ will not be functional from 4:00 pm today i.e 17<sup>th</sup> April, 2026. Parents are advised not to use the present ERP after that. The school will not be responsible for any transactions or communication made on Edunext.
2. **Downloading the new app**:  
**For Android Users**: Go to your Play Store, search for “DPS Indirapuram School,” and download the official app with the school’s logo with School for Schools. Alternatively, you may scan the QR code given below.  
**For iOS/ Apple Users**: Go to the Apple Store, search for “DPS Indirapuram,” and download the app with the school’s logo with School for Schools. Alternatively, you may scan the QR code given below.

**For Desktop/ Computer/ Laptop users**: Visit school’s website, [www.dpsindirapuram.com](http://www.dpsindirapuram.com). On the homepage, click the ERP login icon at the top right to access the web portal.

3. **Login details and passwords:** The login credentials are designed to ensure safe and secure access to all the users separately as every user may have a different reason to login. **You are requested to initiate the login procedure after 5:00 pm today (17.04.2026).**

**We request you to log in using the respective credentials.**

Student's Login

User ID: Student's Admission Number

Password: Student@123

Mother's Login:

Email ID: Mother's registered email address with school

Password: Parent@123

Father's Login:

Email ID: Father's registered email address with school

Password: Parent@123

After successfully logging in, you may change your password from the Profile section by selecting the "Edit Password" option.

4. Initial features of **SchoolsOS**: Parents/ students will experience a new interface that will make the information easy to access and easy to use. The following features are active in Phase I:
- a. Attendance: View attendance and apply for leave options.
  - b. Timetable: View timetable for ready reference.
  - c. Assignments: Students can download and upload assignments in various formats.
  - d. Course Progress: Will be visible after first quarter as we are at the initial stage of the session.
  - e. Library: Students can check books that are available and reserve the same through the app.
  - f. Chat Icon: Parents, students, and the school team can communicate and exchange messages through the chat option available on the app.
  - g. Circulars Section: All official information and announcements from the school will be shared through the circulars section. Parents can view all circulars posted by the school here.
  - h. Transport: This initiative has automated complete transport system. Now parents can opt or withdraw for school transport facility through a click of a button.

We look forward to your support in embracing this new initiative. Kindly complete the installation and login process at the earliest to stay seamlessly connected with the school.

**For your convenience, we have created a set of FAQs and uploaded them in the Circulars section of our new ERP system.** In case you still face any difficulty, please feel free to connect with your ward's class teacher for assistance.

**Principal**
